

Junior QA engineer

Name: Dibrivnyi Iliia
Phone: +7(993)482-07-23 | Email: iliadibrivnyi@gmail.com
Git: [GitHub](#)

About me

Beginner in QA, without real experience but eager to learn, striving to learn new things, both in the professional field and beyond. Result oriented, stress-resistant, patient, attentive to details and fast learning.

If you don't take a step forward, you automatically take one back.

Skills

Testing	Theory, test design techniques
