

Junior QA engineer

Name: Dibrivniy Ilia
Phone: +7(993)482-07-23 | Email: qyrtchy@gmail.com
Git: <https://github.com/JackOefnLad/QA>

About me

Beginner in QA, without real experience but eager to learn, striving to learn new things, both in the professional field and beyond.

Stress-resistance, patience and attention to details are my strong suits.

If you don't take a step forward, you automatically take one back.
